

2015 Grades K-8
Summer School Program

Dear Parent:

We are pleased to offer our summer program at Schroon Lake Central School for all students in Grades K-8. The program will focus on English Language Arts and Mathematics skill maintenance and enrichment. We strongly encourage your child to attend as an excellent means to maintain academic skills and have fun with enjoyable activities.

The summer program will focus on extended practice in math, reading and writing with delightful experiences and will be taught by a certified teacher. The program runs from July 14th through August 6th (Tuesday - Thursday). Classes will be held from 8:30 am –12:00PM daily. A light, morning snack will be provided. There is no cost to families.

Transportation will also be provided to and from summer school. Parents are asked to designate morning pick up and afternoon drop off locations in the district. These pick up and drop off locations may be the same place or different places, but must remain consistent through the program.

Please provide the requested information for your child below and return to the school office by June 19, 2015. If you have any questions or need further assistance, contact Lisa DeZalia at 532-7164 ext. 3493.

Sincerely,

James Polunci
Superintendent/ Principal
