

BARGAINING TEAMS

Prior to commencement of any negotiations the Board of Education, with the assistance of the Superintendent of Schools, will decide whether to appoint a labor lawyer, a BOCES negotiator or other professional negotiator, or to appoint representatives from within the school district to serve as the Board's chief spokesperson. The balance of the districts bargaining team will be selected by the Board with the assistance of the Superintendent. The fee or salary for a professional negotiator will be established by the Board at the time of appointment.

Negotiations will be conducted only as directed by the Board.

The Board and the districts collective bargaining units shall abide by all pertinent information about negotiations as found in the appropriate articles in the various collective bargaining agreements.
